

FOR IMMEDIATE RELEASE

Grandstream to Present on Video Over IP at Ingate's SIP Trunking- Unified Communications Seminars at ITEXPO East 2012

Brookline, MA - January 19, 2012: Grandstream Networks announced today that it will showcase at ITEXPO later this month in Booth #517 its complete line of carrier, enterprise and SMB IP voice/video telephony and video surveillance solutions as well as present an informative educational seminar session on Video Over IP. Seminar details include:

When: Thursday, February 2, 2012, 12PM ET

Where: ITEXPO East 2012
Miami Beach Convention Center
Room B114/115

What: Jorge Otero, Latin America Sales Manager at Grandstream, will discuss how video over IP is transforming business communications, network/financial advantages of adding video and case studies/implementation solutions. Otero will be presenting as part of Ingate's [SIP Trunking-Unified Communications Seminars](#), a three-day seminar series that will provide in-depth educational information on SIP Trunking and everything under the UC umbrella.

Grandstream Networks will showcase its IP voice/video telephony and surveillance solutions at Booth #517

Who: The seminar is free to all ITEXPO attendees

More Info: <http://itexpo.tmcnet.com/sip-trunking-workshop/miami/>

Free VIP passes to ITEXPO East can be obtained here:
