FOR IMMEDIATE RELEASE

## **Grandstream Networks Receives *INTERNET TELEPHONY*<sup>®</sup> Magazine's 10<sup>th</sup> Annual Product of the Year Award**

### ***The GXE 502x IP-PBX Series Recognized for Outstanding Innovation***

Brookline, MA (January 10, 2008) — **Grandstream Networks, Inc.**, a leading designer and manufacturer of next-generation IP Voice, Video and IP-PBX products announced today that Technology Marketing Corporation's (TMC<sup>®</sup>) *INTERNET TELEPHONY* magazine ([www.itmag.com](http://www.itmag.com)) has named the GXE 502x IP-PBX series as a recipient of its 2007 Product of the Year Award. *INTERNET TELEPHONY* has been the VoIP Authority Since 1998<sup>™</sup>.

The GXE 502x IP-PBX appliance is the next generation in converged business communications systems. It is a powerful all-in-one voice + fax + video + data communication solution for the small to medium sized business (SMB), especially companies with sub-30 seats per location. Designed from ground up to support IP communications, intelligent unified messaging, advanced application integration and popular PBX features, the GXE 502x also optimally integrates legacy PSTN trunk and telephone interfaces for fail-safe hybrid communication needs in all circumstances including situations of power or network loss. The GXE 502x raises the level of modern business communication systems for the SMB to a new height of innovation, quality, reliability, feature integration, user productivity, ease of deployment & administration and deployment.

"We are very pleased to receive this prestigious award from Internet Telephony Magazine. We are excited about the overwhelming responses to our release of GXE502x which represents Grandstream's commitment to offering end-to-end innovative products for converged communications for the SMB," said David Li, CEO of Grandstream Networks.

"Grandstream Networks has proven they are committed to quality and excellence while addressing real needs in the marketplace. *INTERNET TELEPHONY* is pleased to grant a 2007 Product of the Year Award to their GXE 502x series," said Rich Tehrani, TMC President and Editor-in-Chief of *INTERNET TELEPHONY* magazine. We're proud to honor their hard work and accomplishments and look forward to more innovative solutions from Grandstream in the future."

A full list of Product of the Year winners will be published in the February, 2008 issue of *INTERNET TELEPHONY* magazine. ([www.itmag.com](http://www.itmag.com))
