**FOR IMMEDIATE RELEASE**

## **GRANDSTREAM RECEIVES *INTERNET TELEPHONY*<sup>®</sup> PRODUCT OF THE YEAR FOR GXV3140 IP MULTIMEDIA PHONE & GXV3601 SERIES IP CAMERAS**

**BROOKLINE, MA (FEBRUARY 24, 2010)** – Grandstream Networks, the leading manufacturer of IP voice/video telephony and video surveillance solutions, announced today that Technology Marketing Corporation's (TMC<sup>®</sup>) *INTERNET TELEPHONY* magazine ([www.itmag.com](http://www.itmag.com)) has named the GXV3140 IP Multimedia Phone and GXV3601 series IP cameras as recipients of its 2009 Product of the Year Award.

"Grandstream strives to deliver the most technologically advanced voice and video solutions at a price our customers can afford," said David Li, CEO of Grandstream. "We appreciate TMC's acknowledgement of the GXV3140 and the GXV3601 series IP cameras as leading products introduced to the market in 2009. We will continue to listen to our customers and introduce innovative products that make their business more efficient, cost-effective and competitive in their respective marketplaces."

The GXV3140 desktop IP multimedia phones come with built-in IPVideoTalk that delivers free, face-to-face two-way or three-way video calling for no additional monthly fee. The 'always-on' GXV3140 also comes equipped with instant 1-touch access to various Web and social multimedia applications, such as personalized real-time online information services (e.g., RSS news, stock, weather, etc.), thousands of Internet radio stations, online music portal including Last.fm, Youtube, Yahoo Flickr/Photobucket/Phanfare, and social sites like Facebook, Twitter, etc.

Ideal for professional surveillance environments, the GXV3601\_HD (720p) and GXV3601\_LL (Low Light) SIP surveillance cameras deliver exceptional visual clarity for enhanced security protection. The GXV3601 cameras support H.264, integrated PoE and microphone, comprehensive peripheral interfaces, embedded video analytics, etc. Because the cameras are based on industry standard SIP/VoIP, they offer greater functionality and increased flexibility for remote video monitoring/control and 2-ways audio communication.

"*INTERNET TELEPHONY* is proud to grant Grandstream the 2009 Product of the Year Awards for their IP Multimedia Phone and IP Camera. Grandstream has proven its commitment to quality and excellence while addressing real needs in the marketplace," said Rich Tehrani, CEO, TMC. "We're happy to recognize and honor Grandstream for their development of IP communications technology. We look forward to more innovative solutions from them in the future."

### **ABOUT GRANDSTREAM NETWORKS**

Founded in 2002, Grandstream Networks is the leading manufacturer of IP voice/video telephony and video surveillance solutions. Grandstream serves the small-to-medium business and consumer markets with innovative products that lower communication costs, increase security protection, and enhance productivity.
