

**FOR IMMEDIATE RELEASE**

**Grandstream Networks Receives INTERNET TELEPHONY® Magazine's  
13th Annual Product of the Year Award**

**GXV3175 Multimedia Phone & GXV3615 IP Camera Recognized for Outstanding  
Innovation**

**ENTERPRISE CONNECT, ORLANDO, FL - Booth 1416 (February 28, 2011)** — Grandstream Networks announced today that [TMC](#), a global, integrated media company, has named the Grandstream [GXV3175](#) IP multimedia phone and the [GXV3615](#) Cube IP Surveillance camera as recipients of the 2010 [INTERNET TELEPHONY](#) Product of the Year Award.

The GXV3175 IP multimedia phone represents the future in personal IP multimedia communication. The GXV3175 sports a large 7" touch screen color LCD, a tiltable 1.3 mega pixel CMOS camera with razor sharp clarity, dual network ports with integrated PoE, integrated WiFi, comprehensive auxiliary ports such as USB/SD/headset/Stereo Audio/TV-Out, and a variety of rich Web applications such as Facebook, Twitter, Google Voice, Youtube, last.fm, Yahoo Flickr/Photobucket/Phanfare, streaming music, Internet radio, weather, stock, calendar, etc. Redefining the desktop communication experience, the innovative GXV3175 integrates state-of-the-art real time video conferencing with stunning picture quality, personalized rich media presentation, popular Web and social networking applications, and advanced business productivity tools into one IP multimedia phone.

The GXV3615 Cube IP Surveillance camera is a powerful, next generation network camera with outstanding performance in low light conditions. It features cutting edge H.264 real-time video compression with excellent image clarity, industry leading SIP/VoIP for 2-way audio and video streaming to mobile phones and video phones, and a built-in high-performance streaming server to allow 10+ simultaneous viewers. The GXV3615 has integrated PoE, integrated WiFi (GXV3615W), large pre/post-event recording buffer, advanced security protection, and motion detection and alert notification. The camera can be managed with GSurf or Grandstream's FREE video management software, capable of controlling up to 36 cameras at once.

"I am pleased to announce Grandstream Networks as a Product of the Year Award winner. The editors of INTERNET TELEPHONY have verified that both, the GXV3175 and the GXV3615, display quality and innovation plus meet real needs in the marketplace," stated [Rich Tehrani](#), CEO, TMC. "I would like to congratulate Grandstream for its commitment to advancing IP communication technologies."

[2010 Product of the Year](#) winners are published in the February 2011 issue of INTERNET TELEPHONY magazine, ([www.itmag.com](http://www.itmag.com)). INTERNET TELEPHONY has been the authority in IP communication since 1998™. For more information about TMC, please visit [www.tmcnet.com](http://www.tmcnet.com).
