

**FOR IMMEDIATE RELEASE**

**GRANDSTREAM'S GXE502x IP PBX AND AIRESRING'S SIP TRUNKING SERVICES  
ACHIEVE INTEROPERABILITY**

**BROOKLINE, MA** (JANUARY 8, 2009) –Grandstream Networks, a globally recognized manufacturer of high quality and affordable IP PBXs, SIP trunking gateways and IP voice and video solutions for the worldwide VoIP SMB market, is pleased to announce full interoperability with AireSpring, a recognized leader in low cost VoIP/SIP Trunking Services. AireSpring is uniquely positioned to provide maximum solution flexibility and personalized service over a large national footprint. Rigorous testing has been performed to certify that AireSpring's Session Initiation Protocol (SIP) Trunking products work seamlessly with Grandstream's award winning IP PBX. AireSpring's national SIP Trunking service and Grandstream's IP PBX offer an affordable alternative to the landline driven key systems and PBX systems available to the SMB market.

Recently awarded 5 stars by [Reviewboard Magazine](#), the GXE502x IP PBX offers advanced functionality, ease-of-use and affordability as an all-in-one IP PBX solution. Grandstream's IP PBX small office phone system is known for relieving the small business owner of the significant costs (both labor and monetary) involved with installation. Not only does the GXE502x offer the affordability and flexibility of IP telephony, but also advanced features like video conferencing along with customizable auto-attendant, ACD, voice mail, fax server, robust dial plan, SBC, CID interrogated pinning and paging. The product also offers one-button provisioning of SIP Trunks, auto-detects and configures IP phones and other hardware -- making setup easy. Its versatility and functionality coupled with AireSpring's network ensure a positive user experience.

"AireSpring is delighted to partner with Grandstream Networks," states Daniel Lonstein, AireSpring COO. "The combination of Grandstream's highly regarded IP PBX with AireSpring's industry leading low cost Local and Long Distance SIP trunks is the perfect solution for customers looking for flexibility, ease of use, and remarkable value. AireSpring continues to grow and receive awards for its next generation voice and data products due to our unwavering commitment to quality service at lowest possible prices. Our customers, resellers and agents will benefit from our association with Grandstream."

"We are very pleased to announce our partnership with AireSpring. AireSpring's large national presence, converged IP solutions and collaboration services provide maximum solution flexibility. This service coupled with our GXE502x, IP PBX, offers our SMB customers a seamless integration and affordability." adds David Li, CEO of Grandstream Networks. "We look forward to continue working closely with AireSpring to ensure an unprecedented user experience and value proposition for SMB."

**ABOUT AIRESRING:**

AireSpring continues to expand and diversify its SIP Trunking product line to satisfy the demands of the SMB to Enterprise market for flexible, customized solutions at cost-effective rates. Headquartered in Los Angeles, award winning AireSpring is one of the fastest growing telecommunications carriers in the USA, with over 3 billion call records processed every year. AireSpring is a privately held, diversified and full service communications company that offers a broad range of innovative telecommunications services at competitive prices.

AireSpring offers next-generation integrated, SIP/VoIP, voice, and data products geared to deliver power and flexibility at cost-effective rates. Information about AireSpring's SIP products can be found at [AireSpring VoIP/SIP Services](#). AireSpring has been voted, by its peers in the Telecom Association, as the "Members Choice" top reseller for three consecutive years (2006-8). To date, AireSpring has set the record for more Telecom Association awards (11) than any other carrier/reseller. Telecom agents and Value Added Resellers can find information about AireSpring's Agent/VAR program at [AireSpring's Web Site](#), or by contacting Todd Stires at (818) 786-8990, ext 391.
