

## Statement of Compliance

This Statement of Compliance has been prepared by, or on behalf of, Grandstream Networks, Inc., who is the manufacturer of the below products. The statement of Compliance is made in accordance with the Cyber Security (Security Standards for Smart Devices) Rules 2025, authorized by the Cyber Security Act 2024.

The Cyber Security (Security Standards for Smart Devices) Rules 2025 specifies security requirements that relate to the manufacture of relevant connectable smart devices which includes the GRANDSTREAM brand. This includes the following:

**1. Password Security:** The password is unique per product or defined by the user of the product for a smart device's hardware or preinstalled software used in any non-factory default state, and where software installation is required for the product's intended use.

**2. Vulnerability Disclosure:** Users can report vulnerabilities to GRANDSTREAM via <https://www.grandstream.com/vulnerability-disclosure-policy>. Furthermore, users will receive acknowledgement of the receipt for a security issues report and status updates until the reported security issue is resolved.

**3. Security Updates Support:** GRANDSTREAM will provide security updates for our products during the pre-defined support period. The defined support period will be 5 years after the product's GA. Up-to-date information concerning the defined support periods for the entire GRANDSTREAM product range please refer to Appendix-Products.

**Public Disclosure:** The "Defined Support Period End Date" for each GRANDSTREAM product is published on the official product webpage at: [<https://www.grandstream.com/compliance>].
