Leitner	LH230 USB
	LH250 USB

Note:

The headsets listed in GXP21xx/17xx headset compatibility document are generally compatible with GRP261x series as well. However, not all headsets in GXP21xx/17xx headset compatibility document are individually tested on GRP261x due to headset availability. Here is the GXP21xx/17xx headset compatibility document for reference:
